From (Name) G. W. Wells, Esquire, L.A., I.C.S.,

(Designation) Collector of South Kanara.

To The Secretary to the Government of Madras,

Local Self-Government Department,

Madras.

Sir,

The provisions of the Madras Registration of Births and Deaths Act of 1899 were extended to certain villages in this District in G.O.Mis.Nos. 464 P.H.dated 16-3-27 (Local Self Government) and 1599 P.H. dated 22-8-27 (Local Self Government). In the Puttur Taluk, the village Puttur, the Head quarters of the Taluk, is the only village to which the provisions of the Act were extended.

2. At the ryots' conference held during the last Jamabandy of the Puttur Taluk it was proposed that the provisions of the Act might be extended either to the whole

Taluk or to certain villages of the Taluk. Almost all the villages of this Taluk are in the interior of the District and in the present state of education among the ryot population it is not advisable to extend the provisions of the Act to the whole Taluk as the uneducated mass of people will not realize its responsibility in reporting in time births and deaths to the authorities concerned.

3. There are, however, two important villages in this Taluk - viz. Beltangady and Uppinangady. The former village is the Head quarters of a Deputy Tahsildar and the latter was once the Head quarters of the Taluk. There are educated people in these two villages and therefore the provisions of the Act may safely be extended to the two villages without causing any hardship to the villagers in general. I therefore recommend that the provisions of the Act may be extended to the said two villages of Beltangadi and Uppinangady.

4. There are Panchayat Courts in both the villages. The Government in the Law (General) Department will be addressed in due course for the grant of powers to the Panchayat Courts to try offences under the Act.

Your obedient servant,

H E Lawrence

Please see para 4 of the Collector's letter - p. 2. cp. The collector says that there are panchayat courts in the villages to which the Act is proposed to be extended, and that he would address Govt in the matter of empowering them to try offences under the Act. This does not seem necessary. The L.S.G. Dept may perhaps add a para. to the draft order in the following terms:—

"Orders will issue in the Law (General) Dept in regard to the grant of powers to the panchayat courts concerned to try offences under the Act"
